

MBM India

Redefining Excellence in Chair Components

MBM India stands tall as one of the largest manufacturers of office chair components and seating systems in India. With over three decades of industry expertise, MBM is committed to delivering superior quality products designed to meet the evolving needs of modern workplaces. Our integrated approach to manufacturing, backed by cutting-edge technology, ensures exceptional customer satisfaction and global reach.

Our headquarters is in Chennai, Tamil Nadu, with an extensive sales network that spans across India and a growing footprint in international markets. As an ISO-certified company, we proudly produce 40+ BIFMA-certified components for a wide range of chairs.

Key Highlights

Pan-India and Global Presence:

A strong sales network that serves domestic and international clients.

Comprehensive Setup:

Integrated facilities ensure seamless production and delivery.

Certifications and Standards:

MBM is ISO-certified and manufactures 40+ BIFMA-certified office chair components, ensuring global quality benchmarks.

State-of-the-Art Infrastructure:

In-house testing facilities and engineering capabilities for unmatched precision.

Innovation and Growth:

Constantly introducing trendy, sturdy, and comfortable designs tailored to customer demands.

Our USP

Highly experienced production and marketing teams.

Rigorous quality control measures.

Commitment to on-time delivery and quick resolution of customer needs.

Wide range of engineered components and innovative designs that redefine chair comfort and durability.

Commitment to **Customer Satisfaction**

At MBM India, customer satisfaction is at the heart of everything we do. From directors' chairs to cafeteria seating, every product undergoes stringent quality checks to ensure unmatched performance. Our in-house testing facilities and adherence to global certifications like BIFMA and ISO make us the trusted partner for 6,000+ manufacturers globally.

Our Vision **for the Future**

MBM India is not just a manufacturer but a partner in driving the vision of "Make in India." Our state-of-the-art infrastructure and highly skilled teams enable us to create products that align with global standards, supporting India's position as a manufacturing hub.

Explore the MBM advantage and elevate your office seating solutions with components that stand the test of time.

Why **MBM InBuilt™?**

MBM InBuilt™ represents the pinnacle of quality, durability and innovation. It is more than just a brand; it's a seal of excellence that empowers manufacturers to craft extraordinary office chairs. With over 40 BIFMA-certified components, MBM InBuilt™ ensures:

- Durable and ergonomic office chair components.
- Precision-engineered designs tailored for diverse seating systems.
- Reliable quality, supported by advanced testing processes.
- 3 years warranty * (Terms and Conditions applicable)
